generators

Free Pack: Start here

Five Generators with 55 presets, for Ableton Live 11.3 Suite or later, or Live 12 Suite.

What's inside

GN_Reese Bass	Basses · 10 presets
GN_Kick	Drums · 15 presets
GN_Haunted Lead	Leads · 10 presets
GN_Angelic Chords	Pads · 10 presets
GN_Lasers	FX · 10 presets

Install

1. Unzip the download.
2. Open the folder for your version: **Generators Free Pack for Live 12** or **Generators Free Pack for Live 11.3**.
3. Drag that folder into Places in Live's browser (or into your User Library).
4. Drag a rack onto a MIDI track and play.

Use

- Press **Rand** on the rack for a new sound, or pick one of the presets.
- Tweak the macros until it fits your track.
- Like it? Save it as a new preset so you can find it again.

What you need

Ableton Live 11.3 Suite or later, or Live 12 Suite. The racks use Suite's built-in instruments and effects, so they won't load in Live Standard or Intro. No third-party plugins.

Want all 41? The full Generators pack has 41 Generators with 419 presets, plus a bonus 808 rack and a 48-minute masterclass.
